To cover event costs and raise money for RCFL projects, the money raised by each organization/group will be split between RCFL and the individual organization/group. The first \$1,000 of pledges per organization are split 50% to the organization and 50% to RCFL. As incentive to maximize your fundraising, once a team has reached \$1,000 in received pledges, receipts will be divided 70% to the organization and 30% to RCFL for the entire amount raised by the team. This fundraiser is a "win-win" for everyone!

In order to dispense raised funds to the non-profit organization of your choice, it must be a non-profit with a valid EIN/TIN.
